YOUR HOME IN BUCOVINA

Dear guests,

We are pleased to have you in our home!

Casa Humor proudly offers culinary joy through the use of local ingredients from small and responsible producers. Our traditional dishes using home made ingredients such as smoked sausages or meat made by grandpa Gică, offer the most tender, inviting and authentic taste to our pork stew. Moreover, your mornings will be enlightened by the fresh cheese from Liviu's sheepfold, offered for breakfast.

A pantry full of jams, syrups, salads, vegetable refreshment and pickles come to complete the gastronomic picture.

Our mission is to offer the authentic taste of healthy food, cooked with care, love and respect for nature and culinary traditions specific to the area.

By paying attention to every little detail, with a restaurant that harmoniously combines tradition with modern, we want you to feel at home, here in Bucovina. If our story inspires you, we invite you to try the best dishes prepared with care and passion in our kitchen, by our skilful chefs.

**With love,
Casa Humor Team**

As all the dishes are cooked on the spot, at the customer's order, we apologize for any delays due to the preparation time.

AUTHENTIC TASTE OF BUCOVINA

A family of welcoming people, the habitants of Bucovina always receive guests with a full table. Dishes are most often prepared with local and homegrown ingredients such as cheese, mushrooms or berries, these being most of the times the stars from the plate. We offer the authentic taste of healthy food, cooked with care and love for nature and culinary traditions.
